WORK EXPERIENCE

NORDSTROM

Intern, UX Design, June 2016 - Present

Collaborate with UX Researchers, Designers and Writers to help redesign the Nordstrom internal POS system, as well as the left navigation for the N.com site modernization project. This required usability studies, whiteboarding, sketching, rapid prototyping and peer reviews.

LEARN TOGETHER

UX Designer, November 2015 - April 2016

Lead the UX process to provide the Learn Together system interface with a usable and consistent design. This includes, but is not limited to, building workflow diagrams and wireframes, rapid prototyping, and front-end development involving HTML, CSS, AngularJS and Bootstrap.

AVANADE INC

Intern, Enterprise Apps, July 2015 - Jan. 2016

Assist with designing on-premise SharePoint sites and migrating them to the Cloud, SharePoint solutions and site provisioning, and optimizing intranet processes.
